Intermunicipal Agreement Amendments

Gary MacIsaac, Chief Administrative Officer, provided an overview of the proposed amendments to the Intermunicipal Agreement between the County and the Town of Truro. As in the original agreement, the Town tax rate will apply and revenues will be split evenly between the County and the Town. The revised Agreement would use the brook running through the property as the dividing line for fire and police services. This will result in the Town of Truro providing fire protection and policing services.
